

20/10/2020 TEACHER(27) INTERVIEW RESPONSES

- 01 Have them understand that the rules only benefit them and society.
- 02 The person in question should set their own goals and have courses shown/available relating to that. (Ones own goals are selfmotivating)
Missing that, suggest processes with gernaly positiv outcomes (like environmental protection)
- 03 Interaction should have boundaries(6 year old and 21 year old, cyber grooming)
Age restriction, advertising to children below the age of 12 is illegal(sponsored processes?, could be dangerous)
- 04 Useablilty
- 05 n/a
- 06 App
- 07 Locality (regional stuff, not as important with lockdowns right now)
- 08 Its hard to rate a toll that's as vague as this one, the idea behind it has potential but no application for me
- 09 n/a
- 10 10
- 11 Accept and oversees course subscription, will support kids in things not doable by a child(drive to meetings and/or assist organising)
